"Hi Nataliya and Tamara,

Thank you again I really appreciate the dedication you both have! It's been very helpful for me to be able to work on the piece with the two of you and develop the dramatic aspect more.... I'm so glad to be having another performance of the piece with the two of you as pianists. Tamara, with all of your theater background, if you can act as theatrical director, it would be much appreciated. You have great ideas. Feel free to try them out. Thanks again!"
