

## CONDUCTOR TESTIMONIALS:

"Tamara Cashour ... possesses a voice of power and range...a singer with dramatic flair. She is further... an accomplished pianist."

New York City Opera

"Dear Tamara:

It was great to re-connect with you in Hansel and Gretel, and such fun to work with you on the witch! Your performances were a hoot (no pun intended!) That was so funny when the broomstick separated in your second performance. You handled it brilliantly! The things we'll have to laugh about when we're old!"

---Maestro Roger Malouf  
The Metropolitan Opera  
Brooklyn Repertory Opera
