

MUSIC THEATRE TESTIMONIALS:

"Hi Tamara,

Nicole DID IT! She got the role of Belle! She really did it! Her second audition was 3 hours long and very intense but she did it. I hope you can come see the show in April. We will be seeing you for lots of lessons. She has a lot of work to do! Thank you so much.

"Dear Tamara:

I wanted to let you know that Melody has been receiving many compliments for her voice, particularly her training. At the Sharon Playhouse she was known as "the girl with the big voice". ...There are a number of other similar compliments to you, but suffice it to say you have made quite a difference."

Thank you SO much for providing such a beautiful melody to our production."
